### Hamburgers are our Specialty

Our hamburgers are all natural, fresh never frozen Texas raised beef, purchased locally from Johnny G's Meat Market in South Austin.

Burgers are also available with Buffalo, Longhorn Beef, Boneless Chicken Breast or 100% Vegan Veggie Burger.

We take pride that our Buffalo and Longhorn are both raised in Texas.

We get them directly from the source. The Davis family of Bandera Grasslands and the Fitzsimons Family of Thunder Heart Bison of Shape Ranch deliver to us as needed. Both are certified AGA Grassfed and raised humanely to receive the Animal Welfare Approved Seal. Both are exceptional in flavor and have health benefits not found in regular beef.

We suggest that they be cooked Medium.

Ask your server for Nutritional Information!
